Here is an interesting section of the last Democratic platform.

"In the battle for good government we recommend to the country the leadership of one who has been at all times foremost in the fight, and whose work as Circuit Attorney of St. Louis and Governor of Missouri accomplished so much for political and practical reform, which, like a tidal wave, is now spreading over the whole country. Conservative as an administrative

officer and progressive in his legislative policy, he is the foe of all grafters, the friend of all honest toilers, and will make the doctrine of equal rights a living force in government. Therefore, the Democracy of Missouri presents for nomination for President in 1912, Joseph W. Folk, and pledge to him our undivided support."

Are you to stand on it, or create confusion, if not loss in party ranks by repudiation?

"I had been troubled with constipation for two years and tried all the best physicians in Bristol, Tenn., and they could do nothing for me," writes Thos. E. Williams, Middleboro, Ky. "Two packages of Chamberlain's Stomach and Liver Tablets cured me." For sale by all dealers.

### Speak Truth

Talk happiness. The world is sad enough  
Without your woes. No path is wholly rough;

Look for the places that are smooth and clear,  
And speak of those to rest the weary ear

Of earth so hurt by one continuous strain  
Of human discontent and grief and pain.

Talk faith. The world is better off without  
Your uttered ignorance and morbid doubt.

If you have faith in God, or man or self,  
Say so; if not, push back upon the shelf

Of silence all your thoughts till faith shall come;  
No one will grieve because your lips are dumb.

Talk health. The dreary never changing tale  
Of mortal maladies is worn and stale.

You cannot charm, or interest or please  
By harping on that minor cord disease.

Say you are well, or all is well with you,  
And God shall hear your words and make them true.

### The Female of The Species

When you go to buy a chicken for your Sunday evening meal,

Do not buy a sturdy rooster with the spurs upon each heel:

Choose a pullet, you can tell it by the head dress without fail.

For the female of the species is more tender than the male.

When you buy a young canary to make music in your shack, Do not take a lady songster, if it's singing that you lack:

Get a young and sturdy he bird if the man has one for sale.

For the female of the species cannot warble like the male. If your wife is jealous of you, now and then this will occur,

And you're needing in your business an expert stenographer:

Hire a man, and live in comfort, shun the doubts that blonds entail.

For the female of the species makes more trouble than the male.

When you have a cold get a bottle of Chamberlain's Cough Remedy. It will soon fix you up all right and will ward off any tendency toward pneumonia. This remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. Sold by all dealers.

### Lightning Kills Few

In 1906 lightning killed only 169 people in this whole country. One's chances of death by lightning are less than two in a million. The chance of death from liver, kidney or stomach trouble is vastly greater, but not if Electric Bitters be used, as Robert Madsen, of West Burlington, Ia., proved. Four doctors gave him up after eight months of suffering from virulent liver trouble and yellow jaundice. He was then completely cured by Electric Bitters. They're the best stomach, liver, nerve and kidney remedy and blood purifier od earth. Only 50c at all druggists.

Dr. W. M. Dickerson of Renick but formerly of Moberly and Miss Harriet Fogel a former nurse in the Red Cross hospital were married at the bride's home in Cherubusco, Ind.
